WHAT IS VRI & OPI?

Video Remote Interpreting and Over-the-Phone Interpreting are cutting edge technology that helps staff, business partners, patients and clients communicate during COVID-19.

ACCOUNTABILITY:

We can provide interpreters with a very short notice in common languages, including Albanian, Arabic, Bengali, and Spanish.

ACCESSABILITY:

We can provide interpreters for rare languages, including Igbo, Kannada, Loma and Wolof.

AFFORDABILITY:

MLS Video and Telephone interpreting services are affordable and accessible to several industries including the automotive, medical, education, and social work.

PORTABILITY:

MLS is able to move with you. The remote interpreting tools are easily accessible to almost every telephone or computer.

RELIABILITY:

You can count on MLS to provide accurate interpretations for your business with our qualified and certified interpreters.

Low fees and no monthly subscription!
